Dear Colorado Pastor:

Request your direct involvement to meet Colorado's 15 Feb petition deadline, or please appoint a volunteer, to help collect signatures to legally define "person" to include unborn children in Colorado. This one word, "person" is very feared by abortion-providers, and has real legal power to overturn Roe v. Wade, and save countless babies lives.

To obtain your own unique "serial-number stamped" petition package for your own church, **please phone attorney Gualberto Garcia Jones with PersonhoodColorado.com, at 303-456-2800**, and he will overnight a personalized 14-page packet to you for official collection of signatures. (Details next page.)

You are also invited to lead your crowd in joining scores of other pastors and churches at the "Colorado March for Life" rallies, either **Monday, 18 Jan in Colorado Springs** (11:00am at Acacia Park, Platte & Nevada), or **Friday, 22 Jan in Denver** (12:00noon west steps of Capitol, 200 E. Colfax). For details visit personhoodcolorado.com and click on "events."

I am available for speaking invitations. As the former Navy Chaplain who took a stand to defend the right to pray "in Jesus name," I believe defending the right to life is even more important, not only to God, but to America's future. Also attached is a letter from my friend Erik Stanley at ADF; churches are legally protected when circulating petitions.

Colorado's deadline is fast approaching, so I pray you'll help defend the babies today. Please call Gualberto today!

God Bless you, In Jesus' name,
