Dear Florida Pastor:

Request your direct involvement to meet Florida's 1 Feb 2010 petition deadline, or please appoint a volunteer, to help collect signatures to legally define "person" to include unborn children in Florida. This one word, "person" is very feared by abortion-providers, and has real legal power to overturn Roe v. Wade, and save countless babies lives.

Please copy the attached petition onto one piece of paper for each signer, in either English or Spanish, or download clean printable copies on the internet at <http://short.to/138ur> or <http://short.to/138uo>. Do not write anything in the blank for "paid petition circulator's name" (we're all volunteers), just make sure every signer is a registered Florida voter, and fully completes their own petition on a separate sheet. Then please bundle all the signed papers in a package for delivery to: Personhood Florida Inc., 7186 South U.S. Hwy 1, Port Saint Lucy, FL 34952, to arrive no later than 28 Jan 10, so our collectors can get them counted and hand-delivered to the Florida Secretary of State by our 1 Feb 10 deadline.

I am available for speaking invitations. Also attached is a letter from my friend Erik Stanley at ADF, explaining how churches are legally protected when circulating petitions.

Florida's deadline is fast approaching, so I pray you'll help defend the babies today. As the former Navy Chaplain who took a stand to defend the right to pray "in Jesus name," I believe defending innocent children's right to life is even more important, not only to God, but to America's future.

God Bless you, In Jesus' name,
